TO

# THE 1950 NAPANET

The TIME has come once again to open the doors of Nappanee High School and take you behind the scenes, revealing the component parts which combined to give our school its personality. The present Napanet is a record of our endeavors to obtain a fuller and clearer outlook on life, to gain a truer viewpoint by rubbing shoulders with reality.

# CAFETERIA AND CUSTODIANS

Here are three "young" men whom you see almost everyday. They have kept our school in good condition and readiness day after day.

At 11:30 every school day the cafeteria in the grade building becomes a place of pleasant bustle and activity. This new addition to the school program has been very successful.

Wholesome meals are served for twenty-five cents.

Special credit should be given to the P.T.A. mothers who have given much of their time in helping with the lunches. The home economics girls have also helped serve and keep the eating rooms in order.

Respect for our school is found in our associations with our fellow students. As our school years passed by, we formed everlasting friendships, some new, some old.

Books are the whole of neither high school or life; they illumine but one vista, and we must look through another window of contact with the world if we want to see the whole plane of life and, by combining our observations with our classmates, view the world in its completeness.

# SENIOR CLASS

Class Flower: Red Camelia

Class Colors: Dark Red and Grey

Class Sponsors: Miss Hoover and Mr. Roose

Class Motto: "Too low they build, who build beneath the stars."—Young.

At last a senior, dignified and most assuming, praised and honored by his schoolmates. Even as we, the class of 1950, look back on those days we've learned to cherish, on events we've learned to honor, sadness creeps into our memory. In the shadow of these passing memories, hopes were born, ideas grew.

We have sixty-four members in our class this year, most of whom are active in many major activities.

Selling magazines helped us a great deal in raising money for our class, and because of our money making projects, we were much too busy for parties.

The Sophomore Class was in high spirits when it entered the halls of N.H.S. on the second lap of its high school career.

After having a hayride we got down to some real business. In order that next year's seniors might have the best reception ever, we planned to have a bake sale. This project was most successful.

Our sponsors are Mrs. Miles and Mr. Weddle and Student Council members are Patricia Henley and George Sheets.

FROM

TO

Much of our time is spent in extra curricular activities, and it is through these activities that students' talents are uncovered in various ways. They help us develop our character and social relations, encourage us to become leaders, help us to shoulder responsibilities and become more aware of our potential future usefulness.

The picture at the upper right shows the presidents of our various clubs and organizations.

One of the most outstanding events of the school year was the presentation of the Thespian play, "Doctor's Orders." The cast is pictured at the right; seated are JoAnn Farrington, Rosamae Sheets, Fred Rice, Betty Tanis. Standing: Della Ina Chapman, Jack Reed, Patricia Richmond, Richard Mishler, Daniel Gamble, Carole Heckaman, Gene Gwin.

# NAPANET

The Staff and Advisors of this year's "Napanet" worked long and laboriously with the idea of making the 1950 issue as good as possible. If our photographic journey into some of the many activities of our school life gives the reader pleasant memories, our mission will have been accomplished and the staff will feel justly awarded.

# "D' Bulldog"

The school newspaper, the "D'Bulldog", is published twice monthly by the Journalism Club. A change in the paper this year is the omission of a cover page; instead, the most important school news is introduced by headlines.

Congratulations to the staff for the fine work this year in helping to improve our newspaper.

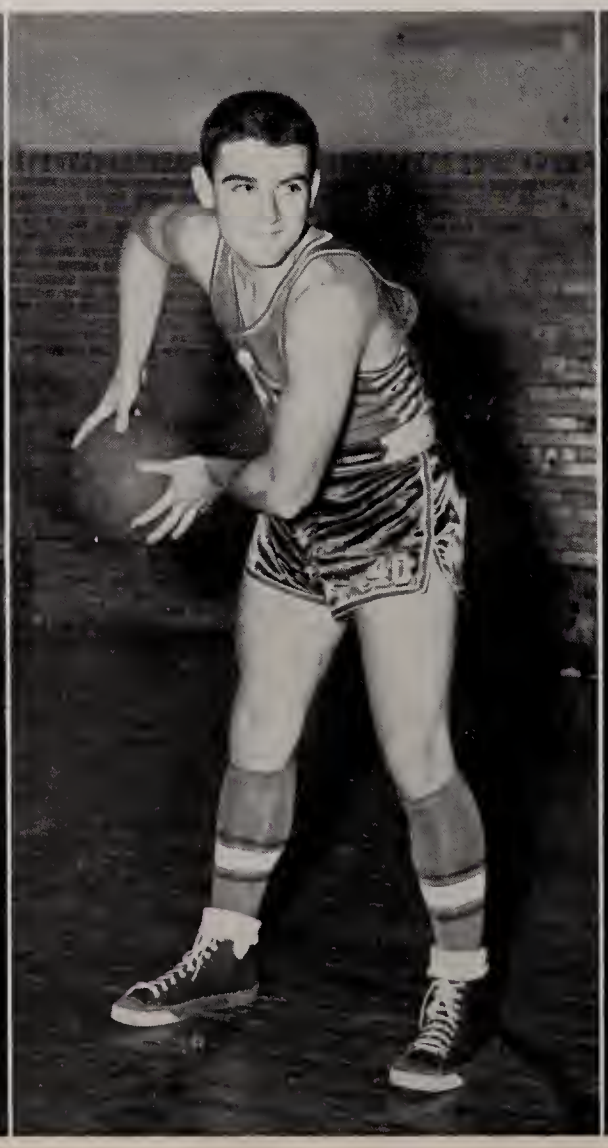
## FIRST TEAM PLAYERS

EUGENE SMITH—Smitty, the county's leading scorer this year, could be depended upon for a large number of points in every game. Smitty is a senior this year.

JERRY LENTZ—Digger was a stocky rebounder who should be valuable to the Bulldogs next year. He is a junior.

JAMES HECKAMAN—Rabbit was the speediest man on the varsity. Jim's alertness and speed will be lost to the cause next season as he will be graduated this year.



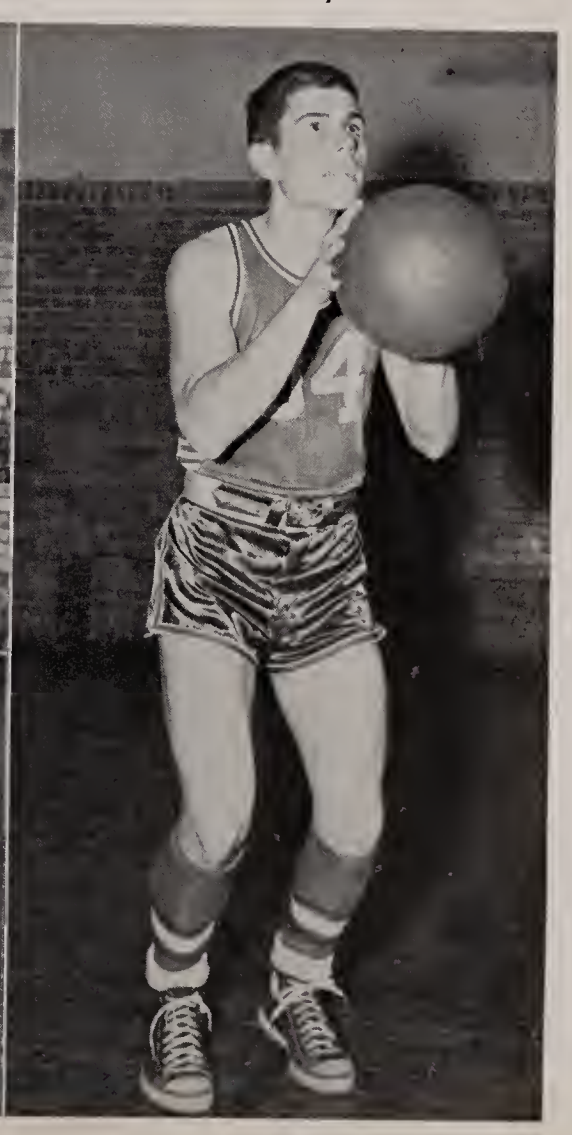
EDWARD EILERS—Eddie, the tallest man on our team, improved considerably this year and should be a real scoring threat next year. Ed is a junior.

DENNIS BRUMBAUGH—D e n n y, an accurate one handed shooter was a valuable substitute during the season. Brumbaugh has another season of eligibility with Bulldogs.

WILFRED ANGLIN—Willie, one of our better rebounders, developed a jump shot later in the season which added many valuable points to the Bulldog offensive threat. Willie is a junior.

CARL HECKAMAN—Cartie, who joined the team late in the season, added a much needed spark to the varsity. Carl, who was on the starting five, will be back for another season.

RICHARD ULINE—Rich was our running left forward this year. His scoring increased in the latter part of the season. A good rebounder, he is a junior this year.



FORREST DUNNUCK—Ike, a valuable ball handler, was the third highest scorer in the county this year, and with Smitty composed the team's scoring combination. Since Ike is a junior, he should spark the team next year.

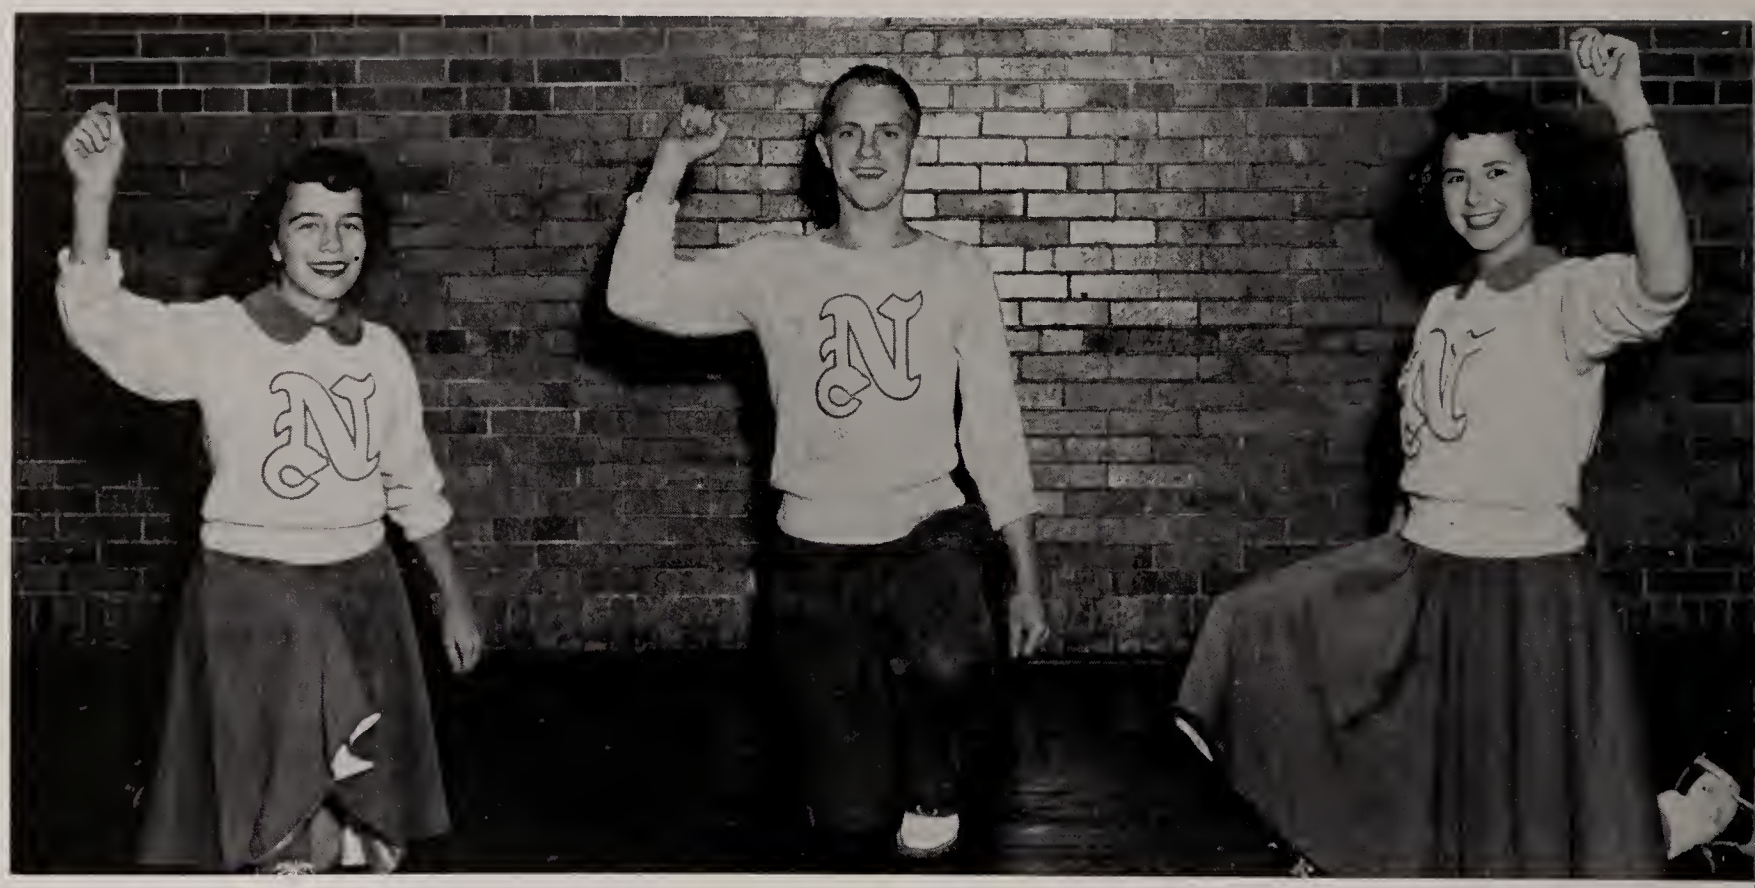
# CHEERLEADERS



JoAnn Farrington | Niles Hunsberger | Patricia Richmond

## Cheerleaders

Something new has been added! Yes, we have a boy cheerleader again. Everyone will agree that he has done a good job. Two of last year's cheerleaders have also returned. They have stood behind the team all the way, encouraging our boys and enlivening the basketball spirit among fans.

## Football

Twenty-eight boys reported for football practices this year in preparation for the games next season. The boys worked very hard on the fundamentals in order that we might have a good team formed for our first showing in this sport. The season was topped off with an intra-squad game. With the planning of a new stadium and the keen interest of the boys, we hope that football will become one of Nappanee High School's most outstanding sports.

# TRACK

As the season progressed, our track team rounded into a well-developed aggregation. The team was particularly strong in the dashes and distance runs. Although members were hampered somewhat by early spring rains and short practice periods, they beat Middlebury, Concord, and Wakarusa in early season engagements. The team will lose very few men by graduation and should be strong next year.
